

The Synthesis and Characterisation of Carbon Phosphide

By Sean Pearce
September 2003

A thesis submitted to the University of Bristol in accordance with the requirements for the degree of Doctor of Philosophy in the Faculty of Science, Department of Chemistry.

I declare that the work in this thesis is carried out by the author in the School of Chemistry at the University of Bristol, under the supervision of Dr P.W. May in accordance with the regulations of the University of Bristol. This work is original except where indicated by special reference in the text, and no part of the thesis has been submitted for any other degree. Any views expressed are those of the author and in no way represent those of the University of Bristol. This dissertation has not been presented to any other University for examination, either in the United Kingdom, or overseas.
